

## NEEDHAM KNIGHTS NEWS

Newsletter for the Needham Knights of Columbus  
Fr. Daniel J. Kennedy Council 1611 – Feb. 2022

Dear Brothers,

I hope everyone's New Year is off to a great start. As we look forward to another year at the council, our signature Super Bowl Party to benefit our seminarians support program will unfortunately be placed on the sideline due to an increase in Covid-related cases. However, we will still have a fundraiser that you, your family, and friends can participate in and support the seminarians at the same time.

Brothers, we will be opening up the hall on various nights before Super Bowl Sunday to sell \$100.00 squares. All those who purchase a square will have their name entered into a drawing to win a 65-inch smart TV valued at \$799.00. As soon as we sell all the squares, we'll hold the drawing so the lucky winner can catch the game on their new television!

Although it will be different again this year, please continue to make a difference for the seminarian program and buy a square. To purchase squares, or for more information please contact Bob Timmerman at [timmerman1021@yahoo.com](mailto:timmerman1021@yahoo.com) or 781-589-4227.

Thank you for your continued support.

Vivat Jesus,

Chris Kent

## MEN'S PRAYER DISCUSSION GROUP

This month men's discussion group will be held on Saturday, 5 February 2002. The meeting is for ideal for our early risers as it starts at 7:00am via Zoom. If you would like to join, please contact Ted Harrigan at [timothymharrigan@verizon.net](mailto:timothymharrigan@verizon.net). A fabulous way to start a Saturday morning — I greatly encourage those who have not taken part yet to give it a try.

## CHARITY OF THE MONTH

Through PGK Paul Deeley, our Council has been presented with a wonderful opportunity to help the good people of Haiti in a new way through our relationship with CRUDEM. A local physician, Dr. Elizabeth Handel, is retiring and closing down her long-established practice here in Needham, and has a significant amount of equipment, medical devices and machines that she would like to donate to help support hospitals and clinics in Milot, Haiti.

We have coordinated with CRUDEM, who is willing to make arrangements to transport all the equipment safely, but there is an associated shipping cost. As such, we would like to make this our charity of the month. At our next Council meeting on Feb 2<sup>nd</sup>, we will be collecting money to help cover the cost. Our goal is to raise \$300.00.

If you are able, please come prepared to donate. Thank you in advance for all you do to continue making Council 1611 proud.
